

## TECHNICAL SPECIFICATIONS

### SUPPLY AND DELIVERY OF FOUR (4) UNITS BRAND NEW AIR-CONDITIONED MOTOR VEHICLES FOR THE BUREAU OF AGRICULTURAL AND FISHERIES ENGINEERING (BAFE)

#### I. BACKGROUND

In compliance with the Republic Act. No. 9184 known as the "Government Procurement Reform Act", the BAFE will be conducting a public bidding for the supply and delivery of four (4) unit brand new air-conditioned motor vehicles. The procurement of vehicle is in support of the performance of various field activities such as validation of proposed projects under the National FMR Network Plan and monitoring of the physical progress of FMR funded projects. Moreover, this activity will help in achieving the 8-socio-economic agenda of the President, in particular, food security, transport, and logistics. Likewise, it will contribute to the realization of the Philippine Development Plan (PDP) 2023-2028 targets, specifically Chapter 3.1 (Ensure Food Security and Proper Nutrition), Chapter 5 (Modernize Agriculture and Agribusiness), and Chapter 12 (Expand and Upgrade Infrastructure). Lastly, this also coincides with the Joint Administrative No.1, Series of 2023 (Formulation, Implementation, and Updating of the National Network of FMRs 2023-2028).

#### II. OBJECTIVES

1. For mobility of BAFE personnel to conduct field validation, monitoring, and evaluation, and attend to official functions to and from various official destinations.
2. To ensure more efficient delivery of quality services to DA clients and other relevant stakeholders through an adequate motor transport system.

#### III. APPROVED BUDGET FOR THE CONTRACT (ABC):

The Approved Budget for the Contract is Nine Million Eight Hundred Thirty-Two Thousand Five Hundred Pesos (**Php9,832,500.00**). Seven Million Fifty Thousand Pesos (**Php7,050,00.00**) is allocated for the three (3) units of **Pick-up Truck** while Two Million Seven Hundred Eighty-Two Thousand Five Hundred Pesos (**Php2,782,500.00**) is for the one (1) unit **Passenger Van**, inclusive of all taxes, testing, and delivery.

**IV. BIDDER'S QUALIFICATIONS**

The eligibility of the prospective bidders shall be based on the submission of the documents enumerated in the bidding documents, among which, is a valid and current mayor's permit/municipal license as stipulated in Section 23.6 of the IRR-A of R.A. 9184. Likewise, additional requirement is the Certification from the Land Transportation Office (LTO) - accredited manufacturers and importers attesting to the availability of authorized dealers and service centers within the Philippines for the last twenty (20) years.

**V. DELIVERABLES**

A total of four (4) units brand-new air-conditioned motor vehicles with technical specifications stipulated in Item No. VI shall be delivered to BAFE: i) Three (3) units of Pick-up Truck, and ii) One (1) unit of Passenger Van. The pick-up truck shall be a four-wheel enclosed vehicle intended for conveying passengers and/or hauling cargo, traditionally having four (4) doors (two side doors for the driver and front passengers) and seating capacity is good for at least 5 passengers, including the driver. The passenger van, on the other hand, shall be a large four-wheel enclosed vehicle intended for conveying passengers and/or hauling cargo, traditionally having four (4) doors (two side doors for the driver and front passengers, a passenger side sliding door, and tailgate). The seating capacity ranges from 12 to 15 passengers, including the driver.
